Experience: With more than twelve years of professional experience in the field of architecture working with some of the most creative design firms in the Phoenix metropolitan area*, Connie brings a unique balance of skills that leverages management and construction savvy with keen attention to composition, function, form, and detail. When introduced into a project at its conception, Connie dedicates herself to confusing the Client's needs with her creative solutions and ensuring that the final architecture retains her high standard of quality and complete design control. With an easy-going attitude she makes this process painless and seamless. Clients don't even know it's happening.
